Mr. Orval Hafen  
St. George, Utah

Dear Sir: RE: COAL CREEK DISTRIBUTION SYSTEM--  
COMMISSIONER'S BOND

State Engineer Check No. 6941, was issued  
June 26, 1944, in favor of Andrus - Hafen Company, St. George,  
Utah, to pay premium on a surety bond for J. T. Leigh,  
Cedar City, Utah.

W. O. Bentley, St. George, Utah, has acquired the  
interests of the Andrew - Hafen Agency, which latter agency  
has been dissolved.

Mr. Bentley wrote the bond and remitted to his home  
office for the premium. Mr. Bentley thought perhaps you have  
the State Engineer Check or might know who has it. If so, I  
wish to recall and cancel the check. Will you kindly advise.

Yours very truly,

Ed. H. Watson  
STATE ENGINEER
